A First in the Country: Carmel Creates Unique QR Codes for Flora

The Eco Club of Carmel Convent School, in collaboration with Atal Tinkering Lab, created unique QR codes for the flora of Carmel Convent School. This initiative is the first of its kind in the whole country to have been undertaken by any educational institution.

The Provincial Superior of Apostolic Carmel, Sr Nirmalini and the school Principal Sr Supreeta inaugurated the QR programme in the school auditorium today. The QR codes are hyperlinked with the Eco Club website, displaying detailed information of each plant. Moreover, QR codes displaying 3D images of specific plants were also created.
Go Green Eco Club starts YouTube Channel

The Go Green Eco Club of Carmel Convent School, Chandigarh, on November 4, 2019, started a dedicated YouTube channel to showcase the work done by the students.
